TABLE OF CONTENTS

A Message from the President

The journey of a St. Michael's man is often described as the maturation of a boy into a well-rounded man who is self-aware spiritually, academically, and co-curricularly. It is also a journey at St. Michael's College School steeped in the Basilian tradition of Goodness, Discipline, and Knowledge. Though no student's journey within our yellow bricks can be told in one yearbook, the faces and experiences of our students from Grades 7-12 in this 104th edition of The Tower provide yet another overview of what the journey looks like. One of the common understandings of St. Michael's men is that we all bleed double blue, regardless of the grade level, and hopefully this evident from the first page to the last of this collection.

The staff of The Tower has done an incredible job this year of capturing the feel of SMCS. I would like to thank all of our students who participated in the creation of this edition, especially Alex Mayhew and Alex Kruckowski. Without the dedication and effort of the whole team, this project is impossible and the capturing of photos for present enjoyment and historic purposes is impossible. The fact that the double blue pride and the brotherhood of SMCS can be seen in every page is a credit to the team and it is deserving of our appreciation.

As with any yearbook, the opening of the front cover reminds us that another group of young men have entered our building and as we close the back cover another group is leaving. It is never easy to say good bye to family and yet we must do just that as just over 200 young men who bleed the double blue and their families exit to find their way through the next part of the journey. We wish them good luck and good fortune and remind them that their SMCS family will miss them and that St. Michael can be counted on for protection. We genuinely hope that they will always keep in touch and visit to share their experiences and support. For the students in these pages that are returning, it is their job to keep alive the spirit of SMCS as their predecessors have done and teach the younger generations what it truly means to bleed double blue.

Sincerely T. Sheridan

A Message from the Student Government President

To the St. Michael's Community,
Flipping through this edition of The Tower, I proudly recognize the faces which have made the 2013/2014 school year a tremendous success. Basilian Fathers, administrators, teachers and classmates, without a doubt that our school year would not have been remarkable without your constant support in our initiatives. It's true that St. Michael's Community brings out the best qualities in everyone. As I look at all the future athletes, politicians, scholars, musicians and artists contained within these pages, it is hard to believe that we are such a tight knit community, a brotherhood.

On behalf of the 2013-2014 Student Government, I would like to express our sincerest thanks and appreciation to all of you for making this year successful. The student body's support of our initiatives has made an astounding impact on the school and surrounding community; your donations during Spirit Week, food drives and clothing drives have aided several of the less fortunate in developing countries.

The 2013-2014 school year has been an amazing one. I will especially miss the St. Michael's Community for making my time here a truly memorable one. Also, thank you to The Tower for always reminding us of our remarkable experiences.

*Best of Luck in the Future,
David Lee*

Your Grade 8 Valedictorian

Graduation is a time for reflecting on the past and looking onward to the future. It is during this time that we aspire to be great and look for our place in the world. As much as it is important to look into the future, it is equally, if not even more important to look back into the past. After all, it's what has gotten us here. For many of us, we spent our first day at St. Mike's on a four hour bus ride to camp. It is here, on a crowded bus that we formed our first friendships and finally began to break the ice. Ironically enough we learned the very next day what breaking the "ice" really meant oh yeah, I'm talking about those early morning Polar Bear dips, as unpleasant as they may have seemed at the time, brought us closer together as we could have ever imagined. Until you have the displeasure of trying it yourself, you will never truly understand the bond forged between a bunch of shirtless boys running through frigid waters at 7 o'clock in the morning. The bonds and friendships that were formed here were the start of something great, ones that will last a lifetime, as they say. For the many others that joined us later, in Grade 8, they were not to be robbed of this opportunity. Instead we got to freeze together again, just this time out of the water, in -20 temperatures at Grade 8 winter camp.

As I was thinking about writing this, I thought about our past two years together. I thought about the ups and the downs, the failures and the successes. I thought about the memories we have built together, the bonds we have forged with each other. From the unforgettable team White vs. Blue U14 hockey match-ups, to the intense Phys. Ed. classes and to the equally intense music concerts, St. Mike's has definitely been a catalyst in helping to forge lifelong friendships. This school has also taught us many life lessons. The incredible array of guest speakers from Chris Hadfield to Cassie Campbell and multiple Me to We representatives have inspired us all. We have been privileged with opportunities that allow us to learn about the world and how we can do our part to make it a better place. It goes without saying that our success here is partly due to the great resources and experiences that we are so lucky to have, thanks to such a great school. Throughout the many charitable activities, such as food drives and volunteering at soup kitchens, we have been able to help the less fortunate in our community. Even more importantly, we have been able to do all these things among friends. It is such a special feeling. I liken it to music, when you are performing with the band and you play your part, and your part only, knowing that you are part of something greater. Knowing that the notes from your instrument are only a fraction of the notes in the symphony that is being woven. Knowing that alone you play a tune, but together, with your peers, you can play a masterpiece. It is this feeling of being part of something greater that resonates throughout these yellow brick walls every day. And yet, all of this wouldn't be possible without the work of our incredible teachers, administration, Basilian Fathers and everyone else who contributed to making the past two years ones to remember. Don't think I've forgotten the true heroes. This speech is for the multi-mile drivers, the ones who get by on a couple hours of sleep, driving us to early morning practices, and late night games. This one is for the parents. They're our biggest supporters, be it on the field or off. Their commitment to our education has become such an important factor to our success here at St. Mike's, for without their support and guidance we would not be able to accomplish anything close to what we have so far.

This has been an extremely successful year, even amongst a couple failures such as that heartbreaking Team White semi-final loss. As numerous as the losses may have been, the triumphs were so much greater. From Mr. Shaughnessy's complete domination in intramurals to the big Team Canada win over the U.S., we have experienced our fair share of triumphs together as well. Throughout this year we have all grown in knowledge and in stature, hopefully! This newfound knowledge will prove to be very valuable in the many years ahead because, and I hope it's not true, but apparently there are harder things ahead than Grade 8 math! But honestly, there really is a place for everyone here at St. Mike's. Whether it be on the soccer field, hockey rink, badminton court, track, golf course, or even at the library, we all have our place here. Whether you are the Anthony Liu of math, the Chaney of the clarinet, or the Fitz of hockey, everyone has something to contribute. I truly wish I had the time to tell everyone here how special, unique and talented each and every one of you are. I want to personally express my gratitude to every one of you for all that you have done for me. There is no greater feeling than walking down the hall in the morning and having someone wish you well, or when you are on the ice and you can barely hear yourself think over the roars of your peers, cheering you on, pushing you towards new highs. As Helen Keller once said, "Alone we can do so little; together we can do so much." For those moving on to new things next year, we wish you all the best.

Looking forward, the next four years will have their ups and downs. But, in times of trial, deep breaths and downward dogs will ease the stress. Kidding aside, we can rely on the knowledge and lessons the St. Mike's faculty have provided to us. All the yoga poses, Shakespearean slang, and other lessons will definitely help us in our high school journey. Today is a day to congratulate ourselves on all that we have accomplished this year and to celebrate our triumphs and learn from our losses. Although we are only Grade 8s, the things that we have already accomplished are truly remarkable. As a group we have grown tremendously and the new bonds that we have formed will prove to be very important and valuable as we transition into high school. This is only the beginning, and we have only scratched the surface of what we can accomplish. Together, in an environment that encourages and grows us in goodness, discipline and knowledge, we can achieve greatness, we can become the heroes of tomorrow. Thank you for a spectacular year and I look forward to our next four together boys, because there is nobody that I'd rather spend them with

Sincerely, Jacob Kennedy

Setting an example, and being that first new friend when your campers are feeling lost and alone. Stepping up to take control and leading others through your words and actions. By being a head leader you're making a difference in other's lives. Acting as the big brother and role model for your family. Being a Head Leader is a responsibility to make camp the best experience continuing a legacy for generations and by teaching others how to lead themselves through their life and how to lead others to make a difference in their community and the world. Our Leadership theme this year is **Discovery**, because we believe that everyone needs to realize what type of leadership style they have and how they can get involved with the skills and talents they possess.

Washington, D.C. United States

Twelve Grade 10 and 11 students traveled to Washington, D.C. in April with history teacher, Mr. Mancuso '90. The group was excited to learn about the historic and political sights of this bustling city, including Arlington National Cemetery, the Smithsonian Museums, the Newseum (a museum of historic news), The Canadian Embassy, several presidential monuments, the Holocaust Museum and so much more.

Bronze, Silver and Gold Recipients travel along the Humber River from Coronation Park, Toronto, to the Indian Line campground, Brampton on a two day trip to fulfill their DOE respective requirements of a practice or qualifying journey.

The Duke of Edinburgh Adventurous Journey

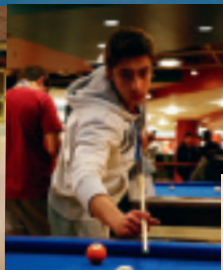

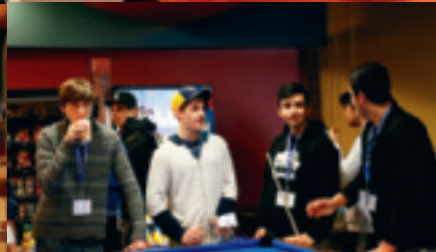

Gold Duke of Ed. Recipients went on a four day qualifying journey from Toronto's Old Mill to Niagara Falls. Traveling along Ontario's waterfront cycling trail, the twelve participants traveled over a total of 226km.

The Junior Kerry Blues completed a perfect season in CISAA by defeating a strong UCC team in the CISAA championship game. The team also had a nice run in the Junior Metro Bowl as they defeated a strong Pickering High School squad in the quarter finals before going down in defeat in the semi finals against a strong and experienced Paul Dwyer squad from Oshawa.

Kerry Blues

Adrian Stellato, Adrian Cole, Jean Luc Casalanguida, Sean Killin, Matthew Minor, Jack Swick, Pierre Lemieux, John Sawicki, Rayshawn Smith, Michael Cook, Jonathon Passarelli, Brendan Bingham, Will Laurin, Ryan Hamilton, Duncan Coulson, Liam Grippo, Nicholas Stegnajic, Niall Smith, Vincent Bauman, Xavier Samuels, Daniel Pietrangelo, Lino Nicoletti, Anthony Oliva, Justin Capocci, Ray Martinez, Gordon Whyte, Jack Healey, Luke Stegnajic, Cameron Fryer, Marcus Moore, Jake Townsend, Dylan Ormesher, Mark DelFatti, Brandon Orct, Jonfranco Monaco, Nicola Pirone, Stefan Cianfrone, Anna Morgan (Athletic Therapist), Coach Andrew Quittenton, Eric Mauti, Paul Zelyk, Kevin Searle, P.J Collins, Evan Shergold, Coach Ross, Coach Lumsden, Coach Trentadue, Coach Shaughnessy, Calvin Vaughan, Kaion Julien Grant, Matthew Crocker, Gordon Brown, Christian Battista, Coach Ross Asaro, Eliza Butler (Athletic Therapist), Ryan Malone, Peter Blair, Dante Dale, Martin Ford, Coach Luke Reda

Celebrating the 60th anniversary of the name 'Kerry Blues', the 2013 Varsity Kerry Blues season began with much promise. The team began the season with a memorable trip to Cincinnati, Ohio where they took on the defending Ohio State Champions, Archbishop Moeller Catholic School. Opening the game with a 79 yard touchdown catch and run by Kaion Grant and a quarterback sack by Pierre Lemieux, the defending champions were certainly surprised by the skill of the team from Canada. The CISAA season began with a loss to the defending CISAA champions, but the Kerry Blues rebounded with a convincing win versus Villanova in the Homecoming game while the team was surprised with commemorative 60th anniversary jerseys. The team then traveled to Ottawa defeating the Ashbury Colts followed by a memorable trip to Kiski, Pennsylvania. After losses to the UCC Blues and a thrilling overtime time loss to Trinity College, the Kerry Blues prepared to take on the St. Andrew's Saints in the CISAA semi-final. In a game where either team had chances to put the game away, the Kerry Blues fought to the very end ultimately conceding the loss by a score of 37-23. Although the 60th anniversary of the 'Kerry Blues' ended in defeat, it has been one of the more memorable seasons in Kerry Blues history.

Blue Strikers

With a potent mix of rookies and veterans, the Junior Strikers always seemed to find a way to come from behind and win. Despite losing 3-0 to St. Andrew's at Homecoming, the Strikers defeated SAC in a thrilling five set victory in the CISAA final. Coach Fischer thanks all players for their hard work, integrity and good sportsmanship.

Season league Record: 8-0 Overall Season
Tournament Record: 12-8
OFSAA Consolation Finalists 4-3

League Record: 25-11
Playoff Record: CISAA Gold medalists 2-0

After completing their CISAA season, a perfect 8 and 0, the Strikers went into the playoffs attempting to win a fifth consecutive league championship. With their win over SAC in the finals, the Strikers became the first team in league history to win 5 consecutive championships in a row. Equipped with this momentum, the Strikers went to OFSAA hoping to upset a few teams. Missing 2 injured starting grade twelves and one starting grade eleven, the Strikers had to call upon a few junior player recruits to help them out. Having to call up one grade nine and two grade ten students, the strikers came within two points of qualifying for the championship rounds. On the consolation side the Strikers would go on to win their quarter-finals and semifinals only to then fall short in the finals against Bishop Allen. The team put together a great end to the season despite being plagued with injuries, a true testament to the Striker program which for the second time in school history, managed to win CISAA titles in all age divisions.

The U14 Cross Country team had a very successful season. The team was made up of a strong mixture of Grade 7 and 8 students and they won every meet they entered. They captured the CISAA league title for the third consecutive year with a first place finish by Ben Fox and top ten finishes by Brendan Ross, Graham Treffry and Brandon Raftis. This year's M.V.P is grade seven student, Ben Fox who finished first in all four of the meets this year.

T
Y

The St. Michael's Blue Harriers Cross Country Team captured the OFSAA Overall Boys Cross Country title on Saturday, November 2 at Laurentian University in Sudbury. The team outscored the second place team by a large margin of 42 to 26. In the midget division race, Grant Whitmore 17 led the way with an outstanding 12th place finish. Jake Runions 17 also ran well and finished in the top 40 to help lead Spencer Van Winters 17, Finn Evans 17 and Brendan Byrne 17 to the silver medal. The medal marks the 44th time that St. Michael's has medaled as a team in OFSAA cross country.

As the eighth placed team in the province, the junior team just qualified for OFSAA. The team was led by Cameron Cira 16 who beat his pre OFSAA time by one minute, to finish in the top 40. Matthew Schmidt 16 and Max Yarranton 16 ran extremely well. With running phenomenon AJ Bimm 16 fending off season long injuries - up and coming star, Colin Boone 16, stepped up big time and ran the best race of his young career. These combined finishes allowed the junior team to place fourth overall.

In the senior boys race, Justyn competed against some of the finest athletes in the province and many potential future Olympians, including last years OFSAA bronze medalist and the defending 1500 m champion. Approximately two kilometers into the seven kilometer race, Justyn emerged from the pack of 10 lead runners and he continued to widen his lead with every kilometer. In one of the most spectacular performances in St. Michael's College School sporting history, he won the race by over 30 seconds and become the first SMCS athlete to win an individual OFSAA gold medal in cross country. Senior team members, Mitchell Valic, Andrew Lovisotto, Liam Totten, and Andy Seo, finished with outstanding results to once again capture a podium placing sixth place in the senior boys division.

All three SMCS teams performed above expectations and left little doubt as to the most dominating overall team of the day. When the tallies were made, the St. Michael's team officially captured the OFSAA Overall Boys Cross Country title outscoring the second place team by a huge margin by a score of 42 to 26. This is the 20th OFSAA championship for the St. Michael's team and further solidifies its position as the most successful team in any sport in OFSAA history. Congratulations to all members of the team.

The U14 Azzuri began the 2013 season with a strong showing against Hillfield Strathallan, Crescent, and St. Andrew's college schools, followed by challenging games against Upper Canada College. Entering the semi-finals with six wins and two ties, the boys in blue were the favoured team. Weathering the wind and rain on a cold Saturday morning, the boys did not disappoint the many parent supporters who cheered them on. Winning a hard-fought game versus St. Andrew's College, 2-1 in overtime, the team advanced to face Upper Canada College in the finals. Having tied Upper Canada twice in the regular season, the team anticipated a competitive game. They emerged victorious with a 3-0 win reclaiming the CISAA Championship title.

The Azzurri

The U16 boys entered this year's campaign as reigning champions from last season. A very talented mix of Grade 9 and 10 students provided, once again, another scintillating and undefeated regular season. The only blemishes on their record were two ties against Hillfield and arch rivals UCC. They played Hillfield in a spirited semi final game and prevailed with relative ease against a resilient opponent. In the final game, they travelled to UCC on a cold and wet day to play the regular season first seed. In an exciting and even match, our boys took UCC to overtime, where an unexpected dribbling shot managed to get by players on both teams. The team lost 1-0, but in the process demonstrated the qualities of sportsmanship and character becoming of St. Michael's Men. We look forward to the next season as many of our grade nines take more active roles in the building of a winning team. Thank you to coaches Mr. Lance and Mr. Zavodny.

After graduating a large number of players, the Varsity Azzurri struggled through the start of the year. Fortunately the team turned their season around and made a valiant attempt to make the CISAA playoffs where they unfortunately fell a goal short. During the winter the coaching staff decided to call up a number of juniors in preparation for OFSAA in June held in Windsor. The tournament was a great learning experience for the entire team who gained valuable insight on the level of competition at the provincial level. The young players gelled and will provide a solid nucleus of talent who hope to bring home a CISAA championship next year.

Coaches Romano, Zanardo and Zavodny want to thank the graduating players for all their efforts to the programme and wish them the best of luck in the future.

WINTER SPORTS

Hockey.

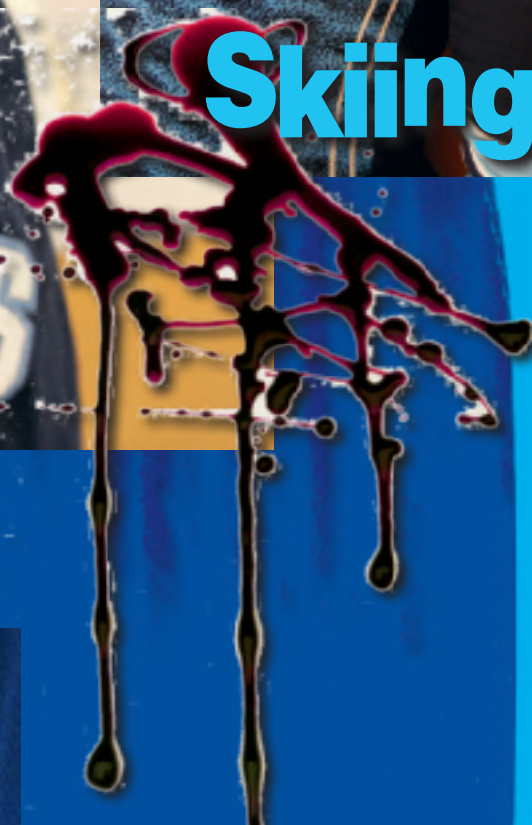

Swimming.

Basketball.

Skiing.

Snowboarding.

This was an exciting year for the U14 Basketball team. There were very few returning players, but the team bonded quickly on their cold walks to Holy Rosary for practice. One of the highlights of the year was the 2nd Annual SMCS U14 Basketball Tournament, where the team had a chance to play one of the best U14 teams in the province. Although the team lost a close game in the playoffs, it was a great season and players continued to improve throughout.

Coach Cahatol

This year's Junior Blue Raiders team was a hardworking and talented team. The team lost in the championship games of both the Vaughan and All Ontario Catholic tournaments; was undefeated in league play with a record of 13-0 and had an overall record of 28-3.

Perhaps the most impressive stretch of basketball played by the team came near the end of the season, when the team played in both its league championship and the JBC provincial championship over a span of four days. On one particular day, the team played two games in the evening after winning two games in the morning to capture the league championship.

Congratulations on an outstanding season boys!

Blue Raiders

This year's Varsity Blue Raiders continued to experience great success this year as they looked to defend their title as CISAA and OFSAA Championships. For the third year in a row, the St. Michael's Blue Raiders Basketball team was praised by some of Toronto's greatest critics, as being one of the greatest teams Canada Basketball has ever seen. Their roster was filled with plenty of young talent as they looked to continue their dominance after their senior leadership moved on to play basketball at the next level. The team showed their advanced talent as they went undefeated in league play. Being ranked the number one team in Canada, the St. Michael's Blue Raiders continued to attain the number one spot going into the OFSAA championships.

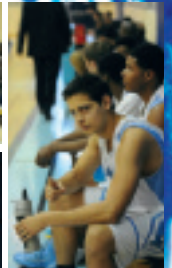

The team looks to take back their championship next year as they bring back the majority of their players. Special thanks to graduating players Conrad Calabrese, James Chase, Calvin Vaughan, Kaion Grant, Nikola Paradina, Parker Joyce and Rayshawn Smith. Look out for huge success from these young talented players in the near future as these Blue Raider alumni continue to make their mark in some of the top leagues in the world.

This year's Blue Raiders MVP was known as the floor general. He was a part of one of the top high school backcourts in the country, where he won an OFSAA gold medal last year and will be seeking another gold medal in his senior year. He was part of the 16U Canadian Elite team, and is a strong candidate to make the Cadet National Team for this summer's World Championship in Dubai, United Arab Emirates.

The MVP of the Varsity Blue Raiders is Godwin Bohan.

Rayshawn Smith, Amidou Bamba, Julian Muzzi, Shakir Alexander Galasso, Nelson Kaputo, Danilo Djuricic, Parker Joyce, Godwin Bohan, Miles Kentebe, Calvin Vaughan, Conrad Calabrese, James Chase, Mr. Corrente, Mr. Zownir, Mr. Lumsden, Kaion Julian Grant, Nikola Paradina

Coach Walsh, Christian Sergnese, Coach Carcasole, Lucas Fisher, Andrew DaSilva, David Fiilpone, Oliver Richenberger, Justin Romeo

The U14 Team White had an exciting year, with the players experiencing much success and growth, both individually and as a group. Throughout the year, the boys represented themselves and the school exceptionally well both on and off the ice. In spite of their best efforts, Team White lost 1-0 to SMCS Team Blue in a shootout, heartbreaker in the CISAA semi-finals. Coaches Walsh, Carcasole and Antolin would like to congratulate the boys for their accomplishments and thank them for the fun year. We wish them all the best in their future athletic endeavours.

This was the second season for the renewed St. Michaels Majors Varsity Hockey programme. Last season saw the squad end their year with a silver medal at the annual OFSAA Hockey Championships. Wanting to build on this they challenged themselves with a schedule that encompassed playing teams from the prestigious Mid-West Prep league as well as the traditional CISAA league. The team played an exciting, physical brand of hockey that saw eight players return with a motto of "Relentless pursuit of victory" being the driving force. The team kicked off the season by winning the annual Ridley College Invitational tournament and continued the success by placing second in the prestigious Barrow UCC Invitational. Along the way the squad went on two U.S. College tours, playing exhibition games on the campuses of NCAA schools. Over the Christmas holidays, the team captured the St. Francis Invitational Tournament championship. The Majors ended the season with some "unfinished business" at OFSAA, sacrificing their March Break once again to practice and prepare to play and capture what they did not last season. The team capped off a tremendous week with a gold medal performance from everyone and were crowned OFSAA Champions. The team ended the season with an overall record of 28-16-5. The staff would like to thank the players for their dedication, commitment and focus that they displayed all season long. We look forward to next season where we will be competing as a full member of the MPHL as well as CISAA.

Season Record: 27-1-1
2014 CISAA Champions
2014 All Ontario Junior Classic Finalists
2014 SMCS Junior Invitational Tournament Champions

This was an excellent year for the Junior Double Blues, who began their season with a third straight York University Early Bird Tournament Championship and went on to complete a perfect 10 and 0 season in CISAA. The team also captured the St. Michael's Junior Invitational Tournament championship in January with a perfect 5 and 0 record. After defeating Appleby College 5-1 in semi-final action, the stage was set for a rematch of the previous two championship finals against reigning champs, UCC. The Double Blues fell behind 4-1 but rallied to tie the game and came away with an exciting overtime victory. This marks the team's fourth CISAA championship in six years. The team then went on to compete in the All Ontario Junior Classic, a 32 team tournament at York. After battling their way to the championship final the team lost a tough game which was their only loss of the entire season. The Double Blues finish with an impressive record of 27-1-1.

The U14 Team Blue hockey team had an extremely successful year. Led by two spectacular goaltenders, Cristian Cugini and Kieran Moloney, the team rallied against some mid-season challenges to win Team Blues first ever U14 CISAA title. In the championship semi-finals, they battled to a 0-0 tie against classmates St. Mikes Team White and after a tremendous overtime, Channey Kim scored the only shootout goal to advance to the finals against powerhouse and rivals, UCC.,Led by the stalwart defense and a strong commitment to getting the job done, Team Blue prevailed and captured the U14 hockey title. Special thanks to all the players who never missed a practice and played "old school" hockey to make history for Team Blue.

The SMC Snowboard team had another very successful season. Coaches Romano and Dineley knew that they would have to overcome their own woefully inadequate knowledge of snowboarding, and so turned to the veteran core of the team for leadership. Graduating athletes, Jack Gordon, Ethan Cohen, Duncan Campbell, Angus Gaffney, and Matthew Roustas provided exceptional guidance, and consistently strong performances, to carry the team into the OFSAA Championship with a top 3 team finish in league competition. Jesse Martini and Andrew Rick were key cogs in the team's success, and offer a glimpse of future glory in the seasons to come. Many thanks to all team members for their dedication and effort (particularly in the teeth of the coldest season on record). This year's Snowboard team MVP is the one and only Jack Gordon.

Mr. Dineley, Mr. Romano, Jack Gordon, Angus Gaffney, Andrew Rick, Matthew Roustas, Timothy Kalmon, Matthew Strezos, Carmen Mancuso, Jeremy Lew, Peter Boddy, Jean Luc Casalanguida, Sam Cohen, Carter Springings, Patrick Bodi, Lucas Kunicyn, Duncan Campbell, Ethan Cohen, Andres Liano, Matt Fotopoulos, Stephan Scanlan, Nick Johnson, Hugh Hart, Jesse Martini, Alex Pleava

Snowboarding

The 2013-2014 St. Michael's Blue Sharks was a very young and eager team that competed fiercely at every swim meet and CISAA championships. This team was very fortunate to have four swimmers represent St. Michael's College at the OFSAA provincial championships at the Wayne Gretzky Centre in Brantford, ON. We hope next year's team will continue to build on the progress from this past year.

U-14 Alpine Ski Team MVP

Grade 8 student, Matthew Pears, has been on the ski team for the past two seasons. He accepted the role of U14 team leader this year and was instrumental in tutoring the new Grade 7 racers. Matthew's positive attitude and eagerness to continually improve his racing technique will enable him to be a force next year as a Level One racer on the Senior Team.

LEVEL ONE Alpine Ski Team MVP

Ryan Malone has been a member of the Alpine Ski team for four years. He was the OFSAA gold medalist in Slalom in 2012 and led his team to an OFSAA gold medal in Slalom in 2013. In 2014, Ryan placed first at the CISAA Championship race at Craigleith and led his team to a silver medal in the CISAA league narrowly missing a trip to OFSAA.

LEVEL TWO Alpine Ski Team MVP

Peter Blair dominated the CISAA league this year in Level 2, racing against some of the top skiers in the province. With three first place finishes including the final CISAA championship race, Peter lead the level 2 boys team to our first ever CISAA Level 2 Team Championship title in 2014.

Junior Volleyball

Coach Celotti,
Coach Joan McDonald,
Alexander Mayhew,
Michael Mah,
Coach Sarah Gray,
Coach Luke Foster,
Brandon Lista,
Alexander Kruczkowski,
Domenic Marchese,

Preparing for months to attend OFSAA, the team worked together to improve each other's skills and technique. Our team came home with silver from OFSAA this year. We are so proud of their efforts and commitment. The entire OFSAA Archery Team is graduating this year; we are going to miss their dedication and spirit; however we are looking forward to recruiting and developing our younger archers.

The St. Michaels College School Varsity tennis team had a year of tough competition and close calls. Unfortunately, we fell short from achieving full team victories in most instances. The relatively young team had a couple of strong veterans and some amazing young rising stars. The students were excellent sportsmen on the court remaining respectful and obedient of the "honor rule" and show great promise for years to come.

Season record: 4 - 3

The Junior Badminton team had a very successful season. With strong play from all members, the team headed into the championships with a good overall seed. After a strong showing early in the tournament, the boys fell short of the medal rounds, finishing 4th overall.

Season MVP: Michael Hardy

Michael's tenacious approach to the game makes him a revered opponent to any competitor in CISAA, having won most of his matches this season, Michael represented the team as its first singles player. At the championships he fell just short of the medal rounds. His skills will be welcomed next year as he will be an intricate part of the varsity team.

Blue Birdies

Season record: 3 - 4

CISAA Badminton was a particularly difficult league to play in this year. Of the 15 competing schools the team came away with a 6th place finish at the CISAA championships. Most noteworthy being the efforts of doubles team, Rafael Indyarta and Chris Guiney who managed to win the OFSAA qualifying tournament to go on to represent both CISAA and St. Michael's at the provincial championships.

Season MVP: Rafael Indyarta, Christopher Guiney

Rafaela and Chris were the first duo to qualify as the first seed for the OFSAA championships in recent history. Although they represented the school well, they were on the losing end of too many close games to make a run at that medal rounds. Both have been dedicated team members since Grade 9 and have won numerous CISAA medals along the way. The team wishes them well as they pursue university next year.

The Baseball Blues lost for the first time in CISAA playoff action in 5 years as they were upset in the semi-finals 2-1, after going undefeated in league play.

Coaches Zownir and Ribarich want to thank the graduating players for all their efforts to the program and wish them the best of luck in the future.

Baseball Blues

The U14 Softball enjoyed a very successful year, going undefeated through its regular season. The team entered the playoffs with the second seed and held Royal St. George to a tight 1 - 1 tie through strong defensive play. The team then clinched its division with a 3 - 1 victory over Crescent. In the championship game against Bayview Glen the excellent SMCS defense held the opposition scoreless through five innings, capturing the championship with a 2 - 0 win. The win gave SMCS its seventh consecutive CISAA U-14 Softball championship.

The Varsity Track and Field team had another outstanding year that included capturing the CISAA senior boys and overall team titles. This is now the 32nd consecutive league overall boys team championship including the many years competing in the TDCAA. Thirteen athletes qualified for OFSAA, where St. Michaels captured the senior boys team title. This accomplishment was largely led by the outstanding results of Justyn Knight, winner of both the OFSAA senior 1500m and 3000m events. Justyn also filled in for Ryan McClelland, who was injured, to assist Andrew Badali, AJ Bimm, and Scott Dawson in winning a silver medal in the 4 x 400m relay event. This is the teams seventh OFSAA Track and Field team title.

This year marked the inaugural year of Co-ed Ultimate Frisbee Team at St. Michael's with students from Bishop Strachan School. The team competed in Division 1, the most competitive division, and the team was committed to growing as a developmental squad with sportsmanship and spirit. Team highlights include two wins in the York Mills Invitational to play in the constellation finals and six fiercely played matches in Division 1. With one year of handling, cutting and setting up the wall, the Disciples of the Disc will continue to move to infinity and beyond. Marc Lawrence was the recipient of the Most Improved Player award. Congratulations to all members of team for this inaugural season of play.

V A R S I T Y

Our Junior Rugby team had its most successful season ever, going undefeated in regular season play. We were the only team in CISAA to accomplish this. With more than 40 boys participating, the program was filled with excitement and vitality throughout the entire season. The entire team would like to express its gratitude for the dedication and coaching skills of our two coaches, Aaron Feilich and Nick Hails. We could not have done it without you! Our Juniors began their hunt for the cup with a stunning 54-12 victory over Lakefield Peterborough. The juniors continued in semi-final action against Trinity and with a 65-7 win, we continued on to the CISAA championship game, along side our senior squad, but fell short in taking home the title.

This year, the Varsity Rugby squad, the Shamrocks, had the best season in their still-young career, scoring more points and more wins than any other Senior team in our history at St. Michael's. This success places us solidly in first place in our division with home field advantage for all playoff games. Highlights would include a stunning defensive game at UCC where we held them at our goal line on countless occasions before capitalizing on their fatigue to win the game. We then continued to finish off the year winning CISAA, beating Crescent School 24-14. Crescent scored 14 in the first half and SMC came back with 24 points to grab the win.

In a special way we want to thank Coach Lafaele Taua for his unfailing support, guidance, wisdom and commitment from the winters of January until the very last shot fired at CISAA.

4

This year's U14 Blue Gaels team went undefeated throughout the regular season, with a record of 4-0-1. The team was composed of a healthy mix of both experienced players and beginners, with only six returning veterans from last years squad. Season highlights include: outscoring their opponents 38-23 in regular season play and 18-6 in the playoffs, for a total of 56-29 throughout the entire season; a triumphant 10-2 win over SAC in the semifinals; and the 8-4 CISAA championship victory over UCC.

Blue Gaels

At the end of the 2013 season the Varsity Blue Gaels graduated only five seniors from an OFSAA Silver medal winning team. With such a large contingent of returning players, the team looked to challenge themselves with a difficult schedule en route to hopeful success at this June's OFSAA Championships.

This returning group responded to the challenge, posting a 32-4 season record:

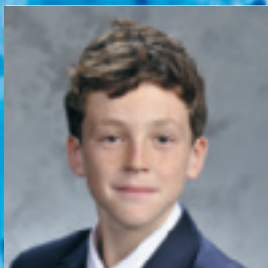

RIT Invitational in Rochester, New York - Gold
The John Mack Classic in Binghamton, New York - Gold
University of Notre Dame MidWest Catholic Classic in Indiana - Gold
Nichols School Invitational, in Buffalo, New York- Gold
Assumption Burlington Invitational Tournament - Gold
Basilian Cup - 12-5 win over Basilian brother school Detroit Catholic Central
CISAA Championship - Gold
OFSAA Championship - Silver

Government

Congratulations to another tremendous year for the Student Government. This year, the student government successfully addressed the needs of the students with a representation of members throughout the grades. This year's student government launched several initiatives which focused on enhancing school spirit while also serving the less fortunate in the surrounding community. Starting with the annual Spirit Week, the school community enjoyed a wide array of activities which included a carnival and the Pep Rally. This year's school wide Walk-a-thon helped raised awareness for underprivileged youth in developing countries through the charity, Canadian Food for Children. The fall dance, The Blue Rodeo was a hit for the grade 9s and 10s and the spring dance for the 7s and 8s was also a major success within the student body. As well, the Student Government focused on supporting those in need in the surrounding community through the annual Thanksgiving Food Drive. During the Christmas season, this year's government attempted to maintain tradition with the, Christmas Basket Food Drive, while also introducing new ideas to the school community through a Clothing Drive and a Christmas Shoebox initiatives. This year we tried to plan a more successful semi-formal than last year but sadly do to lack of interest and the upsetting results of last year's event, the evening fell through. The year continued with initiatives at enhancing the school uniform while also donating to the less fortunate through the Blue Pocket Squares as well as bringing back the Pink Tie Initiative, with money going to support Brest Cancer research. The SMCS Student Government aimed to enrich school spirit through monthly updates via the Blue Herald. This year, the student government had the opportunity to launch a school wide dress down day and live streaming of the hockey finals in support the Canadian Olympic Team and their success in the XXII Sochi Olympic Winter Games. These events in the 2013-2014 school year would not have been possible without the support of the St. Michael's community. The Student Government would like to thank everyone for their contributions. As we consistently work hard to uphold the reputation and legacy of past Student Government groups. As always our main priority is our students. We will continue to be their voice in the future.

Best of luck to Graham Sidwell and Martin Ford,

President & Vice-President of the 2014/2015 Student Government.

Blue Archers, Archery Club

A special thanks to our moderators, Mrs. Celotti & Sarah Slater-Gray

The SMCS Blue Archers experienced an incredibly successful year with over 30 archers joining the ranks to either learn to shoot for the first time or to hone their skills. Captained by Michael Mah and Luke Foster, archers from grade 7 through 12 had the opportunity to shoot weekly in the dungeon as well as in the mornings and evenings in the school gym.

We hosted several schools at the Father Mulcahy Memorial Tournament on Friday, April 29. The club members demonstrated their love of the sport and fair play, and were excellent ambassadors for the school as well as the sport.

Anime Club

The Anime Club met most weeks delving into Anime and Manga culture. We watched an excellent mixture of classic and contemporary Anime and made suggestions the the library for new Manga to be ordered so as to increase its Manga or Graphic Novel collection. Although we missed the opportunity to go to the Beguiling, student social gatherings were always successful. The livelihood of the group when discussing Anime and the friendly competition when playing video games was a great experience.

A special thanks to Mr. Cahatol for a great year!

This year the Asian Association continued its exploration of different Asian cuisines and cultures. Some noteworthy experiences were at Salad King (Thai) near Ryerson University, Kyoto House Sushi (Japanese), and Mandarin (Asian-Canadian Buffet). We also worked hard with Student Government in the fundraising and clothing donation efforts across the school in response to Typhoon Haiyan in the Philippines. Summer clothing donations were taken as well as monetary donations, both of which were sent to the areas more affected by the natural disaster. The year was a great success.

Blue Anglers, Fishing Club

The Blue Anglers had another great season this year as they continued their fishing ways heading up to Cooks Bay in February for ice fishing. The crew of 27 fishermen did not catch as many fish as last year, but then again that is why it is call fishing and not catching! In the spring the Anglers took their game to the island, where a quick ferry ride over had them all fishing the banks of Toronto Island. This time looking for the water's top predator the Northern Pike. The group would catch one 24 inch Pike and almost land an equally if not bigger one. Next year the action continues as the crew will look to include a trip to the aquarium as part of their adventures to go with the weekly Wednesday morning meetings.

Blue Herald, SMCS Newspaper

A special thanks to our moderators: Mrs. Higgins & Mrs. Gray

Under the leadership of Editor-in-Chief, Ethan Martin, nine editions of the Blue Herald were published this year, as well as the Student Government Elections booklet. The professionalism of the publication continues to evolve, thanks largely to the dedication and commitment of Ethan Martin, Luke Sarabia, and Jacob Webster. A strong team of student writers and contributors remains in place for next year, and students from all grades are welcome to join the team as reporters, artists, photographers, cartoonists and columnists. Best wishes to graduating students, Ethan Martin, Alexander Mayhew, Lucas Babando, Jacob Webster, Nicholas Geringer, David Lee, David Carcasole, Evan Shergold, and Alexander Gambin.

DT8

Jack Reford,
Matt Forestell,
Cole Duffy,
Adam Moscone,
Chris de Luca,
Thomas Mazzocco
Mr. Mario DePiero

This year in DT8 we averaged 5-7 students every two weeks and their project was to create a print out of an action comic hero figure with scrap pieces of wood and paint. The students were able to be creative, independent and helpful to those others that lacked technique. Besides learning life skills, they were able to build on their confidence and get introduced to technical skills.

The Destination Imagination program encourages teams of learners to have fun, take risks, focus and frame challenges while incorporating STEM (science, technology, engineering, and mathematics), the arts and service learning. This year, St. Michael's College School had three teams compete in all three streams one in the STEM stream, one in the ARTS stream and one in Service Learning Stream. All three teams finished first at the Ontario Championship and qualified for the Global Championships in Knoxville, Tennessee.

Debaters practice skills like impromptu speaking, examining a witness, refuting an opponent and structuring a parliamentary style speech. The Debate Club met regularly on Wednesdays after school. Faculty of Education teacher, Ms. Fellin, also supported the club. Students engaged in impromptu debates which focused on building skills like: how to ask a point of information, how to signpost a constructive argument and how not to "burn the turf" in a British Parliamentary debate. Novice debaters attended the Royal St. George's College Saucer in the fall and the OSDU Junior Provincial Tournament in the spring. Senior debaters attended the McGill University High School Debate Tournament in the fall and the Queen's University Debate and the Hart House Debate at the University of Toronto in the spring.

The Duke of Edinburgh's Award Program

As first year coordinators of the Duke of Ed program, we would like to mention some highlights; we established an email group to facilitate a support resource for all; ask questions, highlight new initiatives and ideas among our members. We also participated in the Duke of Edinburgh's Award Breakfast with Frank O'Dea, founder of the Second Cup and the Silver Awards Ceremony held in October with three St. Michael's recipients.

Our monthly meetings in the Alumni Lounge helped the members keep up with their journals and plan next steps towards completing individual levels. Lastly a Preliminary Training Session was held May 14 with Alive Outdoors at the school for the members of the program. Over the course of the year, 15 Bronze Awards were completed along with 2 Silver and 2 Gold submissions.

Good luck to all of those students pursuing Adventurous Journeys this summer and see you in September!

**Congratulations on receiving
your GOLD Duke of Ed. Award**

**Michael Mah, Robert Celik
Alexander Mayhew, Nicholas
Geringer, Nicholas Alberelli**

About the Award

Through three awards levels (Bronze, Silver, and Gold) you'll have the chance to tackle and make great strides in four key areas: Service, Skills, Physical Recreation, and Adventurous Journey. Gold level participants also complete a Residential Project.

For more info visit: www.dukeofed.org

The Green Council

Green Council is a forum for students to promote environmental stewardship and sustainable practices. Under the leadership of this year's president, Adam De Sousa, the council introduced a battery disposal box to the school, produced awareness videos, and lent assistance to the milk bag initiative introduced to the school by Joseph Narducci.

Ryan Whyte
Adam De Sousa
Benett Blazeovski
Mr. Toffoli

Eleven students in Grade 7 participated in the Challenge Award Program and qualified for the Silver Challenge Award pin which will be distributed next Fall. They had to engage in Community Service for 10 hours, become involved in any number of school activities, a general fitness component and a reflection on how this program positively impacted their year at St. Michael's. Likewise 13 Grade 8 students chose to participate in the Challenge Award Program, many for the second year in a row. These young men qualified for the gold pin, which was distributed at the Grade 8 Graduation ceremony. For all these boys, this was an opportunity to 'get involved'. Their response was admirable and they gained the joys of being a part of St. Michael's in a more committed way.

SMCS Challenge Award

Liam Abbott, Anthony Ametrano, Matteo Ametrano, Mattia Bacchelli, Palmer Baran-Tino, Matthew Barrett, Greg Battista, Marko Begic, Mark Berry, Amadeo Bizzotto, Scott Bowman, Adam Bulicz, Dennis Caplice, Matthew Catenacci, Andrew da Silva, Luca Dallan, Chris DeLuca, Shawn DeMello, Ethan Dimitropoulos, Cole Duffy, Michael Fabiano, Adriano Fantauzzi, Dante Fantauzzi, Brett Farnfield, Liam Ferris, Luke Fitzgerald, Liam Foran, Mateus Forte, Ben Fox, Alessandro Furlano, Jon Gebreliul, Luke Geiger, James Godber, Julian Greco, Matthew Guglietti, Nathan Hardy, Aiden Horan, Anthony Ierulli, Jeremy Jopling, Christian Khoury, Nathan Kellenberger, Jacob Kennedy, Ben Keresteci, Channy Kim, Ben Kurrek, Christian Leone, Jason Liakakos, Steven Liakakos, Aiden Lin, Jayden List, Min Lu, Christian Marsilla, Simon Martignago, Cristian Mastrangelo, Daniel May, Adam Mazza, Andrew Moscone, Kisenge Mbagi, Christopher McIntosh, Michael McKenna, Mario Mila, Chris Moseley, David Nadeau, Elias Naim, Max Naysmith, Josh Nelson, Ben Newman, Benjamin Nolfi, Anthony Norkins, Joshua Nuezca, Sean Pears, Steven Pelliccione, Johnathan Peshko, Kristyan Puyol-Genossar, Brandon Raftis, Shea Redican, Will Richard, Justin Romeo, Brendan Ross, Aedan Rourke, Davide Sallese, Eric Santore, Jack Sarabia, Duncan Spizzirri, Ben Stonkus, Gabriel Tatangelo, Karan Tayl, Aidan Taylor, Graham Treffry, Matthew Valiquette, Andrea Vertolli, Matthew Wales, Alec Walsh, Matthew Yau, Roman Yusishen, Carlos Yusta, Diego Yusta

Joseph Ross, Ryan Hamilton, Ryan Fitzgerald, Adam Rochon, Matt Howard, Jonathan Cockett,
Jacob Allin, Jack Caponi, Eric Mauti, Jack Martin, Rambert Sin, Niall Smith, Dr. Doyle

First established in 2007, the Irish Club met occasionally this year. The club focused on a number of different aspects of Irish culture, including film, television and sport.

The Law Society

The Law Society participates in two main activities per year. In first term, members argued a case in the St. Michael's Moot Court of Appeals (namely, the Campeau Lecture Hall), concerning the constitutionality of random locker searches in schools. In second term, members submitted a legal factum to the Ontario Justice Education Network's (OJEN) Charter Challenge program. The case concerned the constitutionality of doctor assisted suicide. Only students enrolled in the Grade Twelve law course (CLN4U) are eligible to be members of the Law Society, which is moderated by teachers of the course.

The Liturgical Choir

A special thanks to Fr. Finger for bringing life to our yearly masses and celebrations

This year the Leadership Club did some rebranding to distinguish itself and its role in the St. Michael's community. Students elected to assume the name "Student Leadership Initiative Club". The S.L.I.C saw both its junior and senior members participate in a winter retreat at Queen of Apostles where the students worked on community building and faith based activities and reflections. Additionally the S.L.I.C took an active role in volunteering to support the special Olympics basketball tournament and its participants. The Student Leadership Initiative Club closed out its year with a recreational dodgeball tournament at Holy Rosary community gym.

Michael Lee,
David Carcasole
Ms. Mackeil

The Student Leadership Initiative Club

Senior Math Club

The Senior Math Club members, comprised of over 30 math students from Grades 11 and 12, participated in the Canadian Math League, which is a series of monthly contests. They also participated in school-wide contests offered by the University of Waterloo. Math club members had an opportunity to experience the satisfaction of solving complex math problems and to discuss and share their approach to the solutions afterwards in a group of like-minded enthusiasts. The love of "Pie" inspired the math club members to organize the first annual bake sale to help finance math club t-shirts. Proceeds of the bake sale also went to support the Good Shepherd Refuge.

Bennett Blazewski, Matthew Wong, Marc Palumbo, Michael Martellacci, Paul Aulcino, Mario DiNucci, Nicholas Vavaroutsos, Michael La Rosa, Michael Mah, Justin Kim, Mrs. Dankowycz, Jacob Domitrovic, Nicholas Geringer, Luke Foster, Chris Ngyen, Robert Celik, Adam DeSousa, Alec Dowell, Domenic Marchese, Lucas Martellacci, Michael Puopolo, Peter Brown, Jorge Ramos, James Valencia, Christian Rocca, Marco Convertini, Lino Nicoletti, Thomas Di Michelle, Christopher Sheedy, Jason Stacheluk, Alson Wong, Charlie Yang

Milk Bags for Humanity

Paul Zelyk, Peter Mendolia, Mitchel McBroom, Marc Palumbo, Nicholas Alvaro, Joseph Narducci, Justin Allen, Alexandre Lamarche, Ethan Cohen, Alex Kadela, Adam De Sousa, Marco Convertini, Alessandro Cunsolo, Mr. DePiero, Mr. Narducci, Jacob Donitrovic, A.J. D'Orazio, Joey Molinaro, Tim Romanski, Darren Tse, Dante Dale, Blake Del Brocco, Tristan Stephen, Alex Tonelli, Julian Fascio, Alex Kruczkowski, Brandon Lista

This year a branch of Milk Bags Unlimited was launched at St. Michael's College School. The aim of the program is to divert non-biodegradable milk bags from landfills by using them to make mats that have multiple uses in third world countries like Haiti. The program had humble beginnings with only a few students coming out each week and only one weaving board (that we borrowed from the organization) being used to make mats. In order to generate enthusiasm for the cause we displayed the first mat we produced in the main office. Within no time support and interest grew resulting in a larger group of students attending sessions and donations of milk bags coming from teachers and parents. With a larger supply of milk bags and workers it was evident that more weaving boards were necessary to keep up production. We reached out to our Design Tech Department and under the direction of Mr. DePiero, three wooden weaving boards were produced. These boards allowed us to increase production and open up more spots for volunteers. Now at the end of its first year the Milk Bag Mat Program has been successful in diverting over 20,000 milk bags from Canadian landfills.

This year the SMCS Peer Tutoring Program was a big success!

We had 33 Peer Tutors tutoring about 40 students ranging from grade 7 to 12.

Our tutors were tutoring our students in a wide range of subjects, from science and math to French and Latin. The tutors typically met with their student(s) one to two times per week either before school, during lunch period or after school. Students interested in having a peer tutor for the coming year must see their guidance counselor for further information.

Peer Tutors

Michael Lee, Alexandre Payette, Eric Mauti, Alex Hale, Alexander Barnes, Charlie Yang, Ms. O'Grady, Colin Lee, Jeremy Daniel, Michael LaRosa, Joseph Narducci, Daniel Kim, Luke Foster, Brandon Lista, Matthew Mazzanti, Alex Taylor, Michael Costa-Parke, Seamus Burnham, Graham Sidwell, Rambert Sin, Alex Costantino, Mitch Sobie, Ryan McClelland, Jason Stachelek, Jason De Angelis, Mike Puopolo, Mathieu Payette, Fernando Sanchez-Avila, Chris Guiney, Chris Natale, Alex Gambin, Luke Brenton, Andrew Cervi

SMCS Prefects

Nick Alberelli, Michael LaRosa, Michael Mah, Matthew Cooke, Paul Callahan, Eric Mauti, Alex Kruczkewski, Peter Brown, Rambert Sin, Matthew Minor, Robert Celik, Alex Hale, Liam Kennedy, Jacob Webster, Giovanni Kilayko, Matthew Musinka, Silvano Dallan, Alexander Gambin, Alex George, Patrick Iuhas, Connor Emeny, Jason Stachelek, Gianni Sallese, Robert Bazzocchi, Daniel DeSantis, Marc Lawrence, Ethan Martin, Alex Yae-Jon Won, Fr. May, C.S.B., Adam Hardy, Alexander Mayhew, Brandon Lista

This year, as in the past years, the Student Prefects officially represented the best St. Michael's has to offer academically, artistically, and athletically. Just as important, the Student Prefects have assisted in Open Houses, Parents' Association functions, Welcome Days, the Blazer ceremony, Leadership Camp, The Blue Benefit and collecting attendance sheets for the attendance office and Mrs. Ottavino. We are grateful for their generosity.

Reach for the Top

Michael Mudrinic,
Conor McNamee,
Rambert Sin,
Adam Regasz-Rethy,
Nicholas McWatters,
Will Laurin,
Anthony Giagiri,
Dr. Doyle,
Nicholas Maida,
Jacob Domitrovic,
Michael Lee,
Joseph Di Caro,
Cole Bettam

Weekly practices for Reach for the Top were held between October and January and these were well attended. The team then competed in the Central Toronto League with eight other schools in February, March and April. St. Mike's came very close to qualifying for the provincial finals, losing to Northern Secondary in the semi-finals by a single point.

Reading Olympics

Jason Koot, Audric Patrick,
Matthew Mazzanti, Anthony Norkus,
Michael Mudrinic, Matteo Caruso,
Philipos Hagos, Kisenge Mbaga,
Joong Ho Kim, Chedi Mbaga,
Adam Csathy, Liam Plante,
Ian Bejarano-Holly, Jeremy Jopling,
Jack Reford, Mrs. Gray,
Connor McNamee, Nathan Hardy,
Sean Pears, Eric Senatore, Daniel Lemon,
Marko Begic, Mrs. Zawadzki
Absent: Michael Zelyk, Russell Cocca,
Theodore Papadopoulos,
Peter Andreacos, Anthony Venditti

The SMCS Reading Olympics, now in its fifth year, remains popular with students who enjoy reading. Students read at their own pace throughout the year, competing for the honour of Top Reader in each grade. For 2013/2014, the Top Readers in each grade are: Kisenge Mbaga (Gr. 7), Matteo Caruso (Gr. 8), Chedi Mbaga (Gr. 9) and Jason Koot (Gr. 10).

Scorekeeping Club

This year's Scorekeeping Club showed tremendous effort and punctuality. We were successfully able to keep score for every St. Michael's hockey game held in our arena. Through this club many students completed a service for the school community whilst also collecting volunteer hours.

Mario Orsini, Victor Ruso, Luke Scandiffio, Dylan Alikhan, Daniel Cullen, Thomas Mather, Daniel Forestell, Liam Plante, Carter Moffat, Riley Vanderkooy, Jacob Quirin, Patrick Romain, and many others.

In the true spirit of the TV show we did not do much. We watched clips of the show, played trivia, and prepared for "festivus". Unfortunately our busy school schedule inhibited our opportunity to carry out the celebrations. "No soup for us!"

Stock Market Club

Organization Committee
Matthew Musinka, Jason Stachelek,
Lucas Musinka, Mr. Charter

There were almost 150 participants in the Stock Market Club this year; divided into junior and senior divisions. The students were very motivated to display their stock market acumen; not only for the prizes, but more importantly for the bragging rights. This created fierce competition in both divisions, resulting in high levels of trading and virtual profits.

Here are the names of the top three competitors in each division, based on the growth of their individual portfolios:

Senior Division Winners	Junior Division Winners
1st place: Ryan Sgorlon	1st place: Harley Gollert
2nd place: Liam Gentile	2nd place: Giancarlo Giorno
3rd place: Conrad Calabrese	3rd place: Felix Dionne

Social Justice

This year a small but dedicated group of students participated in the Social Justice Club. These students were committed to making a difference in their community, learning about other places in the world and living their faith. Our main commitment was to Canadian Food for Children, a registered charity with a mission of feeding the poorest of the poor in 18-22 developing countries throughout the world. The students organized a Walk-a-Thon and clothing drive. They also volunteered their time to work at the Canadian Food for Children warehouse in Mississauga. Some other events throughout the year were the Christmas Basket initiative, Pocket Squares to support literacy in First Nations communities, New Circles Community Services Prom Clothing Drive and guest speakers talking about peace building in Bosnia-Herzegovina and living conditions on Canadian Reserves.

SMCS Cooks Club

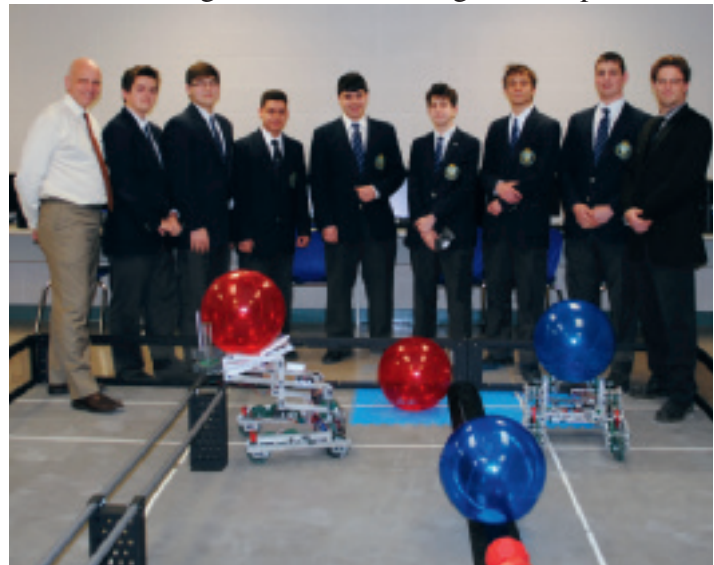

A special thanks to Mrs. Higgins & Mrs. Zawadeki for teaching these mamma's' boys how to cook

The Vex Robotics Club offers an opportunity for students to work together to design, build, and program a robot that can complete a series of challenges. This year's challenge was Vex Toss Up, a two-on-two game where robots play as an alliance to try to score points by moving objects across the field while also trying to prevent an opposing alliance from scoring their objects. This year's Vex Robotics team enjoyed its most successful season to date, with three tournament wins, a design award, a programming skills award, and an excellence award. The team also earned a spot at the Vex World Championships in Anaheim, CA and represented the school well in our first international robotics competition. Planning has already begun for next year's challenge, Vex Skyrise, and the team is looking forward to building on its experience.

Vex Robotics

Tower Media has completed its seventh successful year, delivering school news daily to the entire St. Michael's community through the format of a newsroom broadcast. Through the implementation of new technology, the program has evolved into an integral part of daily life at our school. Announcements can also be viewed via the school's website. Tower Media is another example of a team that is truly more than the sum of its parts.

Stage Crew

This year the stage crew successfully implemented the set, lights and sound for 2 stage productions that were put on by SMCS. The first was in the fall, a murder mystery drama "Any Number Can Die" and consisted of a fairly large box set with lots of moving doors and picture frames. The second production was the musical, "The Drowsy Chaperone", which was also a large box set whose back walls opened up to reveal a large plane. This year the stage crew welcomed back old friends and embraced new ones all of whom worked very hard to put together the two productions. Stage crew was also integral to ensuring that the Christmas and Spring Music Concerts and Open Houses went off without a hitch.

Rumba Squad

The SMCS Rumba Squad, in its third year of the program at St. Michael's College School, had a positively active year with performances at the following events: CIBC Run for the Cure, The 100th Anniversary of the St. Clair Streetcar, Performance and recording session at D'Addario Canada, The Special Olympics Basketball Tournament, The Christmas and Spring Concerts, Club Blue Note and The Big M Lottery.

Nine members of this year's Rumba Squad took part in a full week of hand percussion workshops and activities in Holguin, Cuba over the March Break. This is the second year in a row that the Rumba Squad travels to Cuba on the SMCS World Beat Retreat. Next year is looking to be great as planning has already begun for the 3rd Annual World Beat Retreat to Havana. Moderator: Mr. Mark Pulla

Junior Drumline

The Junior Drumline won silver in concert class at the Canadian Drumline Association's Ontario Championships!

Director: James Oatt
Percussion Head: Michael Beauclerc
Choreography: Gareth Skipp
Instructors: Adam Beauclerc, Jono Landon, Colin Finkelday, Matthew Clemenzi, Ian McInnis, Brian Morton, Michael Deliakis

Members: Jacob Biggs, Daniel Crudo, David Filippone, Mateus Forte, Oskar-Philip Goldnau-Vogt, Nathan Hardy, Thomas Hardy, Jeremy Jopling, Alexander Lauber, Finn Magee, Julian Merigliano, Elias Naim, Kenji Nakanishi, Nickolas Papadopoulos, Theodore Papadopoulos, Alexander Payette, Mack Stinson, Diego Yusta

Senior Drumline

The Senior Drumline was named the Premier Class Champions at the Canadian Drumline Association's Ontario Championships!

The Drowsy Chaperone is an homage to American musicals of the Jazz Age, examining the effect musicals have on the fans who adore them.

The Man in Chair, a mousy, agoraphobic Broadway fanatic, seeking to cure his "non-specific sadness", listens to a recording of a fictional 1928 musical comedy, The Drowsy Chaperone. As he listens to this rare recording, he is transported into the musical. The characters appear in his dingy apartment, and it is transformed into an impressive Broadway set with seashell footlights, sparkling furniture, painted backdrops, and glitzy costumes.

GRADUATES

CLASS OF 2014

*Alexander
Aguilera*

Thanks to my parents, friends and teachers for their tremendous support, I would not be where I am today without them. These last years have been the best of my life, but as the saying goes all good things must come to an end. Thanks to St. Mike's for turning me from a boy into a man. Best of luck boys, the future is ours!

Alex Aguilera

*Nicholas
Alberelli*

I'd like to thank my parents for the opportunity to go here, my teachers for teaching me the things of academia, and the faculty for teaching me the things of the world.

"The road to power is paved with hypocrisy, and casualties. Regret nothing." - Francis J. Underwood

*Jacob
Allin*

*Anthony
Ameruso*

"You won't lag behind, because you'll have the speed. You'll pass the whole gang and you'll soon take the lead. Wherever you fly, you'll be the best of the best. Wherever you go, you will top all the rest." - Dr. Seuss, Oh, The Places You'll Go!

Well boys, its finally here. The past six years have been something special; something I will hold close to me forever. I now understand what it means to be a St. Michael's Man; to bleed blue. Thank you to all my teachers and friends for making this experience something else.

Cheers boys! We did it!

Anthony Ameruso

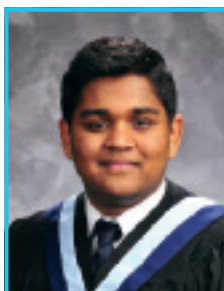

*Adriane
Amacan*

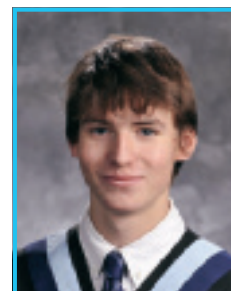

*Joshua
Anor*

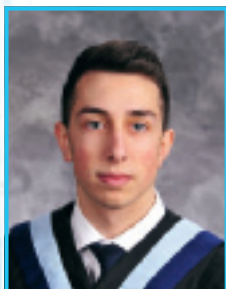

My St. Michael's experience has been excellent! I can honestly say that this school has shaped me as I have transformed from a boy to a man. I will be forever thankful to those many dedicated, caring teachers that have made my time at St. Mike's a memorable one. I would also like to express gratitude to my parents who have sacrificed a great deal in order to send me to this institution. I know that when I leave here soon, i will miss many things about this school, and will ultimately remember St. Michael's as a place full of Goodness, Discipline and Knowledge.

*Austin
Anthirespillai*

*Play
Appell*

*Paul
Aulicino*

These past four years have flown by, but the many memories made will never be forgotten. I would like to thank my parents for giving me this opportunity as well as my teachers who have helped me along the way. Most importantly, I would like to thank all the boys who made this experience possible. The Serie A calcio at lunch, journey's to Da's, the leadership camps, the DT classes, and many other memories will stay with me forever, I wish you all the best in the future, it was a pleasure.

*Lucas
Babando*

I would like to thank my parents for sacrificing so much to give me this opportunity. Most of all though, I'd like to thank St. Mike's for helping me really grow as a person. From Eastern Europe to Rugby to the Weight Room and everything in between, these moments will stay with me forever. I entered the school a weakling, but now I leave it a strong, sophisticated St. Michael's Man. Good luck David in the next few years. Work hard, and you'll be successful. Everything I do from this moment on, I will do with pride, Bleeding Double Blue.

What I thought was going to be the longest four years of my life, was actually an experience of a lifetime. It wasn't exactly the school itself that made it fun, but instead the environment it provided. It was the unforgettable memories shared with the boys that made waking up every morning and attending St. Michael's worth it. To say that this is only the beginning, I'd like to thank everyone that has made my four years at St. Michael's cherished ones.

Casciano*

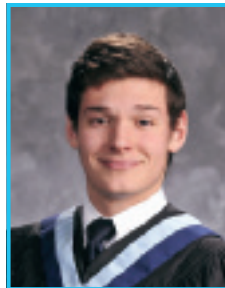

These last four years have just flown by. I'm going to miss this place, but I'm excited to see what the future has in store for me. If there's anyone I have to thank for the amazing privilege of being able to attend this school, it would have to be my parents, so a huge thank you to them. I want to thank my friends for helping me enjoy this unforgettable experience. We may be leaving SMC, but the memories will stay with us forever. And just for my mom, "I didn't graduate from any of them (Colleges) and look at me now Mom!"

"Sometimes it's the journey that teaches you a lot about your destination," and this journey's been memorable. The boys that I have spent these last few years with are some of the finest that this earth will produce. Leaving St. Mike's with an OFSAA championship and various academic accomplishments leaves me hungry for future success and hopefully I will share that success with all the boys in blue. Thank you to the boys, thank you to my parents, and thank you to all of St. Michael's.

"I die before I lose because I was born to win."

-Drake, Success is coming #BLIS

*Paul
Callaghan*

My years at St. Mike's have been the best of my life so far. From going to the OFSAA championships for skiing to travelling to Chicago, Boston and Eastern Europe. From being a leader at the Alive Outdoors camps to learning how to cook in Scholar's Kitchen. All these experiences have made my time at St. Mike's that much more enjoyable and I will always remember what St. Mike's has provided for me, everlasting friendships and a valuable education. Many thanks to all of my friends, teachers, and family who have made these past six years so fantastic.

"You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You're on your own. And you know what you know. You are the guy who'll decide where to go." - Dr. Seuss

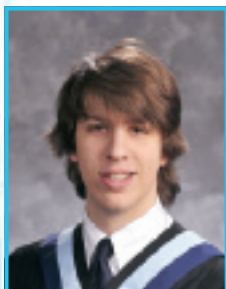

*Duncan
Campbell*

It's crazy to think that my high school years are behind me now. I'll never forget Chittle's homeroom class, Grade 11 4A lunch, sports, and so many other memories that make me who I am today. Thanks to all of those who were a part of these five great years!

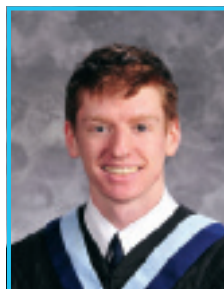

*Matteo
Cancian*

*David
Carasole*

"It was the best of times, it was the worst of times" - Charles Dickens.

I feel like this quote sums up my time at SMC quite well. Through each success and failure, St. Mike's has been a second home for me. I never thought a school could mean so much to me. Though I am excited for next year, it is still sad to have to leave. St. Mike's has given me five amazing years of my life, and in the end, who could ask for anything more?

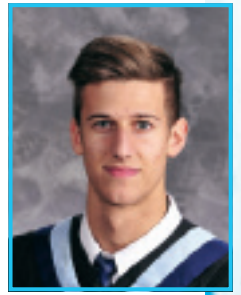

*Robert
Felik*

Getting good marks won't change the world; neither will a repetition of the ordinary. My five years at St. Mike's were a blast. It is impossible to describe how much I have grown because of the atmosphere and people here. It is amazing to think that we are each going off to do the things we love. I would like to thank all of my teachers, coaches, classmates and teammates for giving me the opportunity to pursue my dream to make a difference. I cannot begin to describe how grateful I am to have lived through these memories with you.

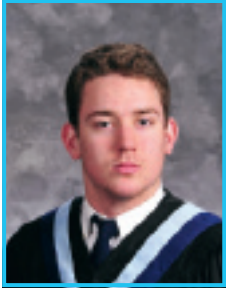

*James
Chase*

I must say it wasn't exactly the school that made these past six years worth it, but the people inside of it. St. Michael's was my light in a dark room. It opened my eyes to new opportunities and guided me through a variety of challenges. I'll always value the time spent with the boys. From Woodbridge, to Centro, we always knew how to party. To those of you after us, you're in for a ride. oneLove

All generalizations are false, including this one.

Brotherhood, the only word that truly describes what we have become. Thanks for the great times and memories, I will never forget them.

Ethan Cohen

*Ethan
Cohen*

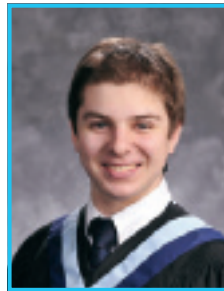

*Marco
Convertini*

*Matthew
Cooke*

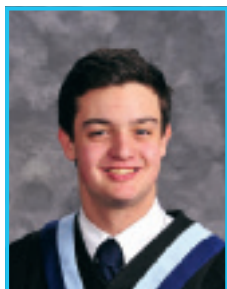

Thank you fellow classmates and teachers for making my four years at St. Michael's the most memorable ones of my life. I have learned to not be afraid of making mistakes, we learn from them and they have a way of presenting new opportunities for success. In our school cafeteria, there is a picture of two eagles with the saying "Wounded, but will soar again". In the years to come, as I have learned from playing volleyball at St. Michael's, it doesn't matter how many points you are down by, you are never out of the fight. Take care boys.

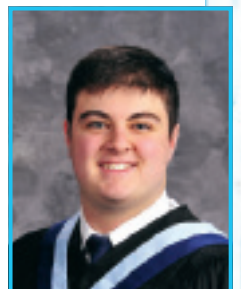

*David
Comadi*

These past four years at St. Michael's have been indescribable. From the school trips to playing rugby, the memories I have made at this school will never be forgotten. Over these years I have grown so much as a person and I am finally able to understand the real meaning of being a St. Michael's Man. I especially want to thank my parents who have always been there to help and support me. Thank you to everyone who made my time here so amazing and best of luck in the future.

Its been a fast and furious two years at the greatest school of my life. Made many friends and many more to come. School life is phenomenal at this excellent institution. Many memories were made.

*Silvano
Dallan*

Our journey at SMC began on September 7, 2010 - and what a life changing journey it has been! We set out to accomplish new things, meet new people, and push our limits physically, academically and spiritually. We came together as a community - as brothers - Bleeding Double Blue and making friendships that are sure to last a lifetime. We came to this school as boys, but leave as men - St. Mike's Men! Words cannot fully express my pride in this school or my gratitude to the Basilian Fathers, my teachers, my family and all my friends whose impact on my personal growth has been immeasurable. Thank you.

SD

My four years at St. Mike's has been an amazing experience. Four years ago I was just a little niner not knowing anyone at this school. Over the years I went on trips, I participated on sports teams, and most importantly I made a brotherhood with so many of my classmates. I would like to say thank you to all the teachers and coaches who have supported me, and have made my experience here at St. Mike's both an educational and fun experience.

Well boys, its been a long, rowdy, and unreal six years of my life. Walking through those yellow brick halls with the boys has been great. From the pep rallies, to the homecomings, the FNLs and after school puck. Buzz games in the dog pound, Fr. Zinger's Saturday detention duties, our infamous Grade 8 homeroom, and lets not forget about Punta, I don't think my time here could have been any better. I will always Bleed Double Blue! I'd like to thank my parents, the teachers, and the school for giving me this unforgettable opportunity.

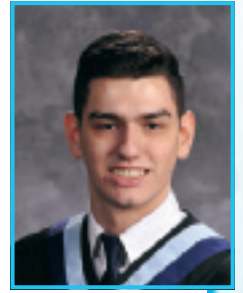

LB

St. Michael's has made my high school experience one worth remembering. I firmly believe that between these yellow brick walls, bonds unlike any other are not only formed, but cherished. My time at St. Mike's has changed me for the better as both a Christian, and an individual. My four seasons with the Kerry Blues, and my adventurous trip to Eastern Europe are only two of the countless memories I've made during my four years. I'm sure I can speak for everybody when I say that three words alone depict our experiences at St. Mike's. Boys, its been a slice.

*Mark
Del Fatti*

Second period spare. That's all.

Entering SMC six years ago and being a little 48 shrimp was intimidating to say the least. This school quickly became a second home for me. I've come to realize that at SMC everyone fits in, whether you're an athlete or a bookworm; you're respected and welcomed by everyone. From being on the soccer team in the early years of my journey to being able to go abroad in Gr. 11, I have enjoyed every second of this experience. Robert Frost once said, "Nothing gold can stay" but the SMC gents are more than golden. Ciao.

As cliché as this will sound, the last four years here has been a roller coaster ride. This has molded me into a man that I never knew I would become. Everybody accepted how different I was. That really makes you love the boys even more you know? Knowing that it doesn't matter how different you are, what matters is that you're part of the boys, Forever and always. We're all here to make a dent in the universe.

Congratulations!
Today is your day.
You're off to great places!
You're off and away!
You have brains in your head.
You have feet in your shoes.
You can steer yourself any direction you choose.
You're on your own. And you know what you know.
And you are the guy who'll decide where to go.

-Dr. Suess

*Jordan
Khan*

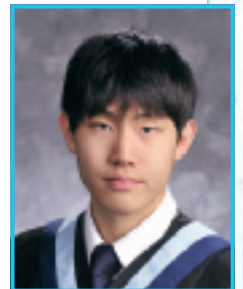

What is brotherhood? Scholars maintain the translation was lost hundreds of years ago. But after coming to St. Mike's I've learned what it means to be apart of one. Its been a ride to say the least and I'm proud to call these boys the brothers I never had. I'm overcome with emotion, like the first time I heard the Beatles. If I've learned one thing over the past four years it's to live young, wild, and free. Everybody love everybody. I'm out.

St. Michael's College School truly is a brotherhood. The boys I have met will be boys now and boys in our future careers. Every moment shared within these yellow brick walls are experiences which have lead us on our road to becoming St. Michael's Men. All of the time that I have spent in this school with my fellow St. Mike's Men have been a blast and it has been an honour. I will always Bleed Double Blue and live as a St. Michael's Man.

"Life is what happens when you are busy making other plans" - John Lennon

Just wanted to give a "heartfelt" thanks for four amazing years at SMCS. It has been an amazing time filled with countless memories that will stick with me for the rest of my life. Special thank you to my parents for allowing me to go to the school, and also to the incredible teachers here that helped me, specifically Mr. Arseneau, Mr. Fischer and Fr. Malo, C.S.B.

These past six years which I have spent in the yellow brick walls of SMCS have been the best of my entire life. I will never forget the memories I made and the friends I found here. I wish all the best to everyone in their coming years as we each head out on separate paths to start our new lives.

*Riley
Mocha*

*Joseph
Molinaro*

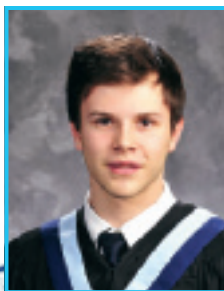

It's hard to think that my four years at SMC are coming to an end. It's weird thinking that next year we will all be going our separate ways and I won't be seeing all the boys every morning anymore. There has been many great moments throughout the four years but it would be hard to sum all of them up in less than 100 words. Starting from the first week in Grade 9 I knew I was entering a special brotherhood and that's exactly what it became. Thanks for the ride boys! #BleedDoubleBlue

It has been a privilege to study at St. Mike's for the last four years. On a personal level, I would not be the man I am today without the support of my parents, family, teachers, Basilian Fathers and friends. These four years have been filled with hard work, great laughter and fond memories. It has been an honour to meet so many fine young men at this school. Although our life paths will diverge, I hope that we can all stay in touch. Best of luck on all of your future endeavours. Sincerely, The Moose.

If you're reading this,

The last six years at St. Mike's have been a wonderful and amazing journey. Camps up north, meeting great friends, playing OFSAA baseball games at the Dome, Blue Raiders home games, and Varsity Kerry Blues Homecoming games have made my memories very special. To my family and friends, teachers and coaches, I give you my deepest thanks. You have inspired and helped me become a better person and for that I will always be grateful. I will cherish these incredible memories, but I know that for each one of us, the best is yet to come.

It's hard to believe that after six years at St. Mike's, my time here is coming to an end. I knew that St. Mike's would be an incredible adventure the first day I stepped on that Woodbridge bus. These yellow brick walls have truly provided me with unforgettable memories and experiences. I want to thank the teachers and the boys for making my time at St. Mike's such a pleasure, but more importantly I want to thank my parents for giving me this opportunity. All the best to everyone, Cheers boys, we finally made it!

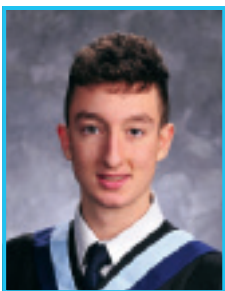

*Marc
Dalumbo*

Thanks to my parents for giving me the opportunity to attend St. Mike's for my last year. It has made me a much better student as well as athlete.

*Nikola
Paradina*

*Matthew
Dasquati*

I would like to thank my parents for giving me this opportunity, my teachers for guiding me along the way and most of all the boys, who made these four years unforgettable. All of the great experiences I've had at St. Mike's have helped make me the person I am today and I will cherish them forever. Best of luck boys! Cheers.

"Climb to the falls of Dragon Gate" -Trivium

I want to thank the teachers who have been a part of my time at St. Mike's, whose classes were anything but boring and were downright hilarious. My friends, you awesome bunch of dudes, you've made my time at our school great. Mix together guys like you for at least four years with things like being put on "security", Dr. Pepper boxes, a snowstorm, "brütalness", a disregard for appropriate noise levels, and other insanity-fueled shenanigans and you'll get a crazy fun time. As we move on, I'll leave with "Be Carefully"- R.Blythe

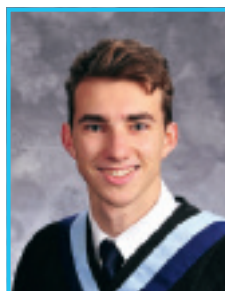

*Gabriel

*Nicola
Pirone*

Life at St. Mike's has been a bumpy ride to say the least. From failing tests, to making honour role, the struggle is truly what puts us over the top. Even though I sometimes wonder how it would be at another school, I look back and see the brothers I've made. This has been a long journey that I've had the honour of sharing with my boys. It is now time to pass the torch to LiLT and hope for the best. Though we are moving on, a part of us will always remain hidden beneath those yellow brick walls. oneLove

*Arthur
Diszczek*

Attending St. Mike's has been nothing short of spectacular. I would like to thank the teachers for all the effort they put into me. I would also like to thank the boys that helped me through these difficult years and come out a St. Michael's Man. Heres to all the chirps, all the Serie A scudettos, the grinds, and the good times. Most importantly, thank you to my parents for allowing me to experience all of this and spend such amazing years with all you beauties. Party at my place, just leave the walls alone. oneLove

*Alexander
Post*

It's been a good run. Thanks to St. Mike's for an amazing six years I will never forget.

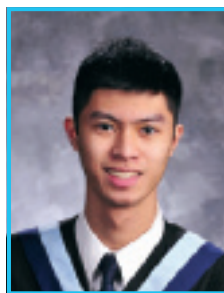

*Harrison
Potter*

*Michael
Duopolo*

My six years at St. Mike's has provided me with many amazing experiences and friends that I will keep for life. The St. Mike's community has been there for me and will continue to be there for every student that will walk through these halls. It is my hope that every single one of these students will have a fantastic experience at this great school as I had. Thank you St. Mike's!

"If what you did yesterday still looks big to you, you haven't done much today."

- Mike Krzyzewski

From the minute I walked through the doors four years ago, I knew that everyday would be a new opportunity. Whether it was on the field, on the track, or in the classroom, I knew that everyday would bring about a new challenge that would turn accomplishments into stepping stones. I'd like to thank my friends, my family, and my teachers, who in one way or another always gave me that one extra drive to be successful.

*Justin
Rizek*

Well... boys its been a slice to say the least. St. Mike's has taught me a few things, but the main one being to never quit. This grad quote wouldn't be complete without a few shout outs though. First off to the boys that made this ride unforgettable and Punta 2014.

"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy."

- Martin Luther King Jr.

I'm out, keep your cross crease firing. - JRIZZ

I can't believe my time in the yellow brick walls is coming to an end. I want to thank my parents, the teachers, and all of the boys. Without you I would not be able to say I had the time of my life during my six years at St. Mike's. Cheers and all the best in the future.

*Christian

I would like to thank the staff and students at St. Michael's, all of which contributed greatly to making the past four years the best of my life. Special thanks also goes to both my parents who helped me make the decision to attend to this wonderful school, as well as providing me with all the support and motivation required to pursue my ambitions.

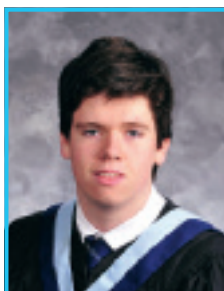

*Thomas
Staples*

I would like to thank my parents for everything that they have done for me. I would also like to thank them for giving me the opportunity to attend St. Mike's.

"What a long, strange trip it's been. Yeah, that's freakin' profound"

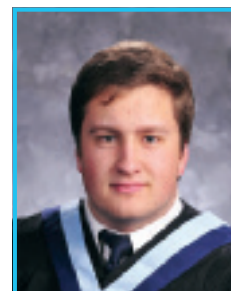

- Michael Kelso

Thanks family and friends for all the support you have given me to graduate at St. Michael's College School.

*Christopher
Steele*

Its been four amazing years boys. I am going to miss all of you guys! Go on and do great things because you must. You are St. Michael's Men.

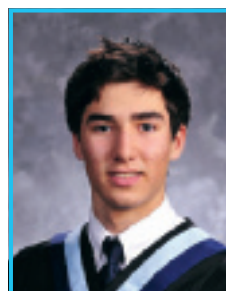

*Luke
Stegnajic*

*Adrian
Stellato*

Wake up every day and put a smile on your face knowing you're a part of this St. Mike's brotherhood. It's a really cheesy thing to say, but realizing what SMC has prepared me for and what it has done for me really defines what a St. Michael's Man is all about. I'm extremely grateful for all the opportunities I have been given between these yellow brick walls and they will be memories I will have with me forever. Shout out to the baseball squad and Windsbro, Eastern Europe 2013, and all of the 2014 grads. Best of luck boys!

*William
Stone*

"Who's with you?" This is the motto of the rugby program at St. Michael's. This resonates strongly with me because whenever I ask myself this question the answer will always be the same. The entire St. Michael's community is with me now and will continue to be with me for the rest of my life.

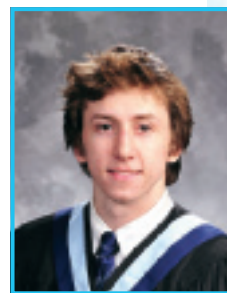

The best of times.

*Jeremy
Stroud*

Thank you to all the boys for all the memories at projectlax, Tremblant, Montreal, the dogpound, and other parties over the last four years. Hope to see you all again soon and good luck in the future. Also a special thanks to the parents, brothers and the main boys for helping me through my journey.

"May god deliver us from evil with his mighty sword and falcon forever and ever and ever" - Will Ferrell.

*Tanner
Thomson*

*Alexander
Tonelli*

Six years have passed, and I cannot believe it is over. Many friends, and even more memories, have been made within these yellow brick walls that have truly become my home away from home. From tests to teams and trips, and everything in between, these days have been the greatest moments of my life and have permanently shaped St. Michael's into the essence of my character. Above all, I thank God for my parents, family, friends, teachers, mentors, and the opportunity to attend such an amazing school, an experience that I shall never forget.

Doce me Bonitatem et Disciplinam et Scientiam

*Adrian
Torok-Erban*

"I am so clever that sometimes I don't understand a single word of what I'm saying" - Oscar Wilde (Written for me to sum up my years at St. Mike's).

A few things he failed to mention though were the great times with the fellas, Punta 14, SMC Lax and many more. I'll always cherish my times within the yellow brick walls, the Double Blue that was bled and I'd like to thank my parents for making this all possible.

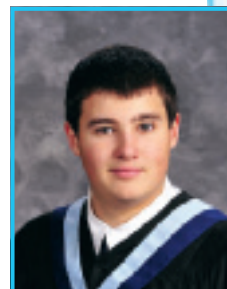

The past four year at St. Mike's have truly blessed me with lasting friendships and unforgettable memories. I will never forget the treacherous cross-country practice that lead to the accomplishment of winning OFSAA. Also the look on Mr. Barry's face when he received a surprise birthday cake at restaurants we went to in Sudbury. I would like to thank all my teachers, coaches and friends that have helped make these four years outstanding. I wish everyone good luck and success in their future endeavors. "Without action, the best intentions in the world are nothing more than that: intentions."

- Jordan Belfort

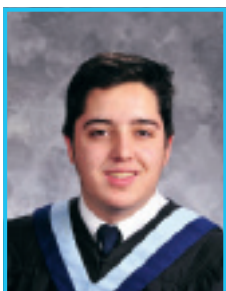

*Liam
Totten*

I just want to use these meager 100 words to thank everyone who has made my St. Mike's experience special. My parents, my brother and all of the SMC community who have allowed me to grow intellectually and spiritually.

*Jacob
Townsend*

*Nicholas
Tsihlias*

"Why do we fall? So that we can learn to pick ourselves back up."

At this time, I'd like to thank my family, friends, former teachers and all of those that helped and guided me over the last four years. Finally, I'd like to especially thank the author of this quote, I sincerely believe that they truly know that I owe a plethora of gratitude to them for their guidance and generosity to me over the last four years. I will get back up!

*Nicholas
Ursitti*

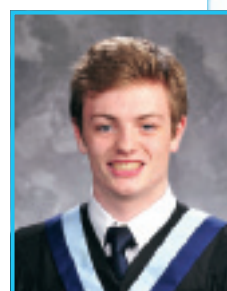

Seems like only yesterday we were all getting on a bus for Grade 9 camp, not knowing what to expect. After walking these yellow brick walls for the past four years I can confidently say that I'm ready to face whatever challenges my future holds. I'd like to thank my parents for giving me the opportunity to become a St. Michael's Man and the teachers that have helped me prepare me for what lies ahead. Most importantly I'd like to thank the boys for all the unforgettable experiences. Its been a pleasure to share this journey with all of you.

Its been a great six years boys! Many fond memories were made. I'll never forget celebrating the Bear's birthday in Sudbury, winning OFSAA XC '13 with the team, and hearing the stories from Punta! Thank you to all my teachers who guided me, especially my coaches Mr. Bergin, Shust and Barry who's encouragement made all the difference. I'm sad to be leaving SMC, but excited to learn where my next journey will lead.

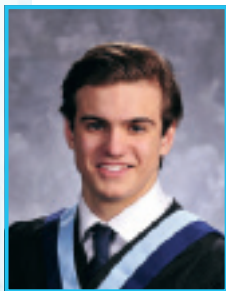

*Mitchell
Fatic*

It is amazing to think that the past six years of my life have gone by in the blink of an eye. I want to thank my parents for providing me with this amazing opportunity to attend SMC, and for their support through it all. Memories of 4AFL, Leadership Camps, Punta '14, the musicals, early Thursdays at Cohen's, and everything in between that happened in these yellow brick halls will stay with me forever. Lastly, thank you all for making this past six years unforgettable, best of luck in all your future endeavors. God Bless, I will miss you all.

*Max
Van der Kooy*

Your Grade 12 Valedictorian

It's the end of an era. For all of us, no matter how many years we trudged through these halls, it's all over now. A journey with an inevitable reality that suddenly approached us— one that was once longed for, is one that is now feared. No longer will the pillars that kept us upright support us. It is time to take a step forward, another stride upward to reach the destinations that have been desired and striven for. It is time to truly test if we can support ourselves, upon the foundations that have been laid down and painstakingly built for us. Yet still, some uncertainty remains. Departing this home only fosters more questions and an unclear future for us. But will we be ready? Will we be prepared? For the rest of our lives, we will examine whether this investment of time and energy was worth it— if we have remained stagnant, or grown as individuals over the course of these years. But in doing so, we are really acknowledging the contributions of our supporters, and to ensure their efforts were not in vain.

To those at the front of the classrooms, our teachers, who formed a love-hate relationship with us that dare rivals the one between Leaside and Woodbridge, thank you. You all embraced us, sometimes grudgingly, into your domains, even if that meant putting us on “security” once in a while. You patiently worked with us and strengthened our skills, turning a bunch of “typical” miscreants into a group of “typical” students, and gave us a “head-start” on the paths which we will now pursue. “But what you've got to realize” is that the lessons that were taught by these mentors extend beyond the classroom. Even if all of the knowledge of Avogadro and Napoleon is forgotten, the wisdom that we received will remain with us forever. Because even though we may have complained about all the homework, tests, and early morning grinds, the perseverance that was fostered is invaluable. You have ensured our futures, and the gratitude that we have for your dedication is too great to express.

While our teachers mentored us at school, our parents reinforced the values of St. Mike's in our homes. You made it possible for us to attend this institution, because quite frankly, such a fabulous education doesn't exactly come cheap... You had the presence of mind to make sure that our characters would be instilled with the moral principles that emanate from these walls. You also opened up our eyes to what lies beyond St. Mike's, and the importance of hard work that will always be necessary, no matter what career path we choose. We will be forever grateful of the everlasting support you give us, and will always be indebted for your fateful decision to send us here.

And when not in class or at home, we were helped along by each other. So often is the brotherhood of St. Michael's considered cliché, yet so often is it true. It is a bond forged through trials in school, on the field, and on the court, through exams and essays, through failure, and through glory. Despite our varied experiences, skills, or friends, we are all bound by the indelible crest on our chest. Although it may not adorn our blazers any longer, the connection between us will never be severed. At times it may fade, and at times we may feel lost, but (much like Dante's Supras) we will always be found, and will remain as brothers, with our true colours never ceasing to pulse through our veins. So thank you, to those 214 of you, for always being there these past years. It's not over now, because our future together as alumni begins today. Thank you for the memories, and here's to the ones to come.

So with the support of our parents, teachers, coaches, and Basilian Fathers, we must ask ourselves again: will we be prepared? Will we be prepared for life? For our future careers... perhaps... however, not all of us will be making millions like Di Fiore coming out of high school. But material wealth isn't the criteria for success that we should acknowledge as we graduate. We were taught Goodness right from the start. Like all the alumni who have walked through the Arch, we have built our morals and virtues on the same foundations.

But now is our time. And if we can stay true to those three values, then we can truly say that we are successful. Again, this is our time, and to quote Dr. Sheridan from 1989, “This is the world we live in, and these are the hands we're given, use them and let's start trying to make it a place worth fighting for.” It's time to take the lessons we've learned here, and extend them beyond these yellow brick walls. Because although our time at St. Mike's may be over, our journey as men has just begun.

Congratulations, Class of 2014

PRAYER TO SAINT MICHAEL

Saint Michael the Archangel,
defend us in battle.

Be our protection against the
wickedness and snares of the devil.

May God rebuke him, we humbly pray;
and do thou,

O Prince of the heavenly host,
by the power of God, Cast into hell,

Satan and all the evil spirits,
who wander through the world
seeking the ruin of souls.

Amen

The 2014 Yearbook Crew

Editor-In-Chief
Alexander Mayhew

The Tower this year wanted to create a yearbook that captures the spirit and passion of a St. Michael's Man. Our School Crest may be outlined with the words 'Goodness, Discipline and Knowledge' but beneath that in our hearts, St. Michael's Men believe that we **Bleed Double Blue**.

Bleeding Double Blue represents two major themes of our school; the Virgin Mary and Saint Michael the Archangel. The "Double Blue" originates from the colours of the Virgin Mary, which she is described to be wearing and the "Bleeding" adjective is derived from the the spirit of Saint Michael, who defeats Lucifer, the Devil, in the battle for Heaven. We wear the prayer to Saint Michael around our necks everyday to remind us he is always watching over us, "Saint Michael the Archangel, Defend us in this day of battle."

The Yearbook is a collection of every aspect of the school year and everyone who participated in the school. We chose the theme of "**Bleeding Double Blue**" because everyone has their own battles and something they're fighting for, whether it be OFSAA Gold or a standing ovation or The Basilian Book Award. The one thing in common behind every battle is the name we proudly wear upon our chest. Those who **Bleed Blue** possess the spirit of the brotherhood in their veins and they're not afraid to show it. St. Michael's Men don't step back from a loss but use it as motivation to push forward for their St. Michael's Community and the embodiment of being a St. Michael's Man. Every graduate who continues to wear the Saint Michael's prayer is encouraged to fight for what is right and to be the positive change in our society and the world.

This book would not have been a success without the support of my fellow graduates and brothers. A huge thanks to **Alexander Kruckowski** and **Mario Orsini** for their continued support and help with the creation of this year's book. I would like to thank **Silvano** for his TTC themed TOC, **Natasha** for support during the summer, **Dom** for your support in the beginning of the year and **Mah** for the ability to see the school 25,000ft in the air. Anything you guys did to give me an extra hand was much appreciated. Mario good luck with next year's edition of the Tower, I give you my full support.

I am so thankful for my moderators and SMCS Communications staff for making this yearbook possible. **Mr. De Pellegrin**, thank you for allowing this crazy idea to come to life and bleed off the pages of this book. **Ms. Kaster**, thank you for all of your hard work and support because with out you we would never be able to publish this book before September. Thank you **Ms. Mackeil** for helping build my staff but it's the challenge of keeping them which is the difficult part. Thank you **Mr. Corsano** for creating some creative divider backgrounds and table of contents page.

Lastly, **Michael Tomlinson**, from Friesens Yearbooks, I can't thank you enough for helping me stay on track and for mentoring us throughout this yearbooks progress. We couldn't have published this book without you or your team at Friesens.

No matter what your passion is, put in 120% and never forget to continue **Bleeding Double Blue** for St. Mike's and Saint Michael. May God Love you and Keep you,

All the Best Class of 2014,

Alexander Mayhew
